Sir,

I beg to report that the "Public Health Act Day" was celebrated in this municipality on 1-11-1939 as per instructions in para 6 of the Circular R.C.No.26455-1-RS/39 dated 28th July 1939 from the Director of Public Health, Madras. An expenditure Rs.6-12-6 was incurred in connection with the celebration of the Public Health Act Day. The sanction of the Public Health Standing Committee was accorded in its resolution No.1 dated 22nd February 1941 (copy enclosed).

2.I request that the Government may be pleased to accord sanction for the expenditure of Rs.6-12-6, as the Audit Department have considered the expenditure to be an extra-ordinary expenditure, requiring their sanction - Vide extract of item No.5 of the Objection statement for December 1939 - February 1940 (copy enclosed).

The Director of Public Health in para 6 of his circular R.C.No.26455-1-Rs/39 dated 28th July 1939, required that concentrated propaganda must be done by celebrating the first November as the Public Health Act Day and that whereever possible, this may be combined with Health Week celebrations.

The Health Week was not celebrated as the Council did not sanction the usual contribution. Expenditure amounting to Rs.6-12-6 was incurred on the Vouchers quoted in column 3 for the celebration of the public Health Act Day.

It is observed that not even the sanction of the Council was obtained for the expenditure which was debited to Public Health Propaganda.

It would seem that the sanction of Government would be necessary for the extra ordinary expenditure of Rs.6-12-6.

I have the honour to state that the figure '6126' after "Rs." in the G.O. referred to above, is presumably a mistake for 6-12-6. I request that necessary corrections may be issued.
